updated 29. 1. 2024 | published 29. 1. 2024

Summary

A set of mechanical tools compatible with the 0-waste models

[Toys & Games](#) > [Action Figures & Statues](#)

Tags: [robot](#) [accessory](#) [accessories](#) [actionfigure](#)

A set of mechanical tools: the bare minimum you will need to operate on technological infrastructures.

If you are planning a recovery on an seemingly abandoned ship or station, you need those.
