Summary

An heel rest for the throttle pedal of the BJ Simracing Pedals

[Gadgets](#) > [Video Games](#)

Tags: [simracing](#) [rest](#) [pedals](#) [simracingrig](#) [throttle](#)
[simracing3d](#) [bjsimracing](#) [bj](#)

I've made this heel rest for the pedals so you can be more precise while driving, no supports required.

Is also available the model for the brake pedal:

<https://www.printables.com/model/743049-bj-simracing-pedals-brake-heel-rest>
