Summary

Holder for small and medium bottles for Pegboard with 1" (2.54cm) hole spacing and .275" (7mm) holes.

[Hobby & Makers](#) > [Organizers](#)

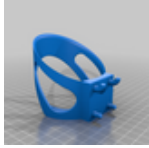

Tags: [can](#) [pegboard](#) [spraycan](#) [wd40](#)

Works on a Pegboard with 1" (25.4mm) hole spacing and .275" (7mm) hole diameter.

Tested with 100ml bottle in the small (47mm) holder and 300ml bottle in the medium (54mm) holder. The original fits the large 400ml (70mm diameter) bottles.

Printed in PLA with supports under the hooks, .2 layer height and 15% infill.
