updated 1. 2. 2024 | published 1. 2. 2024

Summary

These tiles allow you to build a more urban setting for your tabletop RPG session. OpenForge & OpenLock compatible

[Tabletop Miniatures](#) > [Miniature Gaming Accessories](#)

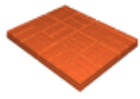

Tags: [dungeontiles](#)

You need to get matching bases with one inch / 25.4 mm sides per square.

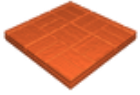

Currently, there are only 2x2 tiles available, suitable for 2x2 floor pieces, 2x2 wall on tile pieces, and 2x2 corner pieces.
