Tags: dragon bracelet unicorn bambulab ams

Basic profile containing over 9 sizes, new improved links and lock, easy to print with no bridges in the links.

This is the standard, non dragon or unicorn bracelets, completely new and improved, with new facial designs, link design and lock design, optimized for silk and strength so print in any colour you wish.

Any issues or you wish to learn more then please don't hesitate to ask.

To use the link, click in 5 times to soften the joint before attaching to the wrist in order to understand how the bracelet holds.
