Summary

Do you want to enforce some rules at your school or workplace? Jasper is there for you. There are two versions:...

Do you want to enforce some rules at your school or workplace? Jasper is there for you.

There are two versions: complete and split. the split version has zero tolerances, you might want to scale down the pants a bit or be ready to sand them.

But Wait, There's More!

I'm also including an .fbx with all the source files in the case that you want to change the pose or make better pegs easily.
