

BOSE Soundlink Micro Speaker Holder

[VIEW IN BROWSER](#)

updated 21. 12. 2023 | published 21. 12. 2023

Summary

Wallmount or table stand. Added one with the Bose logo at the front! (10 okt 2021)

4.29 hrs

4 pcs

0.20 mm

0.40 mm

PLA

47 g

Prusa MINI /
MINI+

[Hobby & Makers](#) > [Music](#)

Normally the Bose Soundlink Micro lies flat on the table or strapped to something.

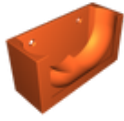

This stand is for either to stand vertically as in picture or mounted to a wall e.g. in your workshop!

Straight forward to print. 0.20 with 15% infill.
