

HB 8025 Bed Fans for 300 Trident

 **Delmar**

[VIEW IN BROWSER](#)

updated 21. 6. 2024 | published 21. 6. 2024

Summary

Designed for direct airflow on to heater and give 360 airflow from under the bed for additional chamber heating.

[3D Printers](#) > [Voron Parts & Upgrades](#)

Tags: [bed](#) [fans](#) [fabreeko](#) [honeybadger](#) [8025](#)

6mm Clearance with Kinematic Bed Mount no additional Z loss

Flip for clearance on stock bed mounting, you will loose 8mm Z

M3x8 Flat and Button Head Screws

8x Voron M3 Heatsets

Fans are centered to the bed

Inspired by Dr Dave of Voron, and uses [Ellis Bed Fan Macros](#)

Use at your own risk, will need a large wattage heater to keep up with the airflow

Uses [8025 Fans](#) available at [Fabreeko](#)
