

Test Tube Stand (parametric, OpenSCAD)

Temara

[VIEW IN BROWSER](#)

updated 28. 4. 2024 | published 28. 4. 2024

Summary

A stand for test tubes that is completely customizable to accommodate any size and quantity.

[Household](#) > [Kitchen](#)

A simple stand for test tubes by [@stellarhopper_137497](#), but with windows for viewing the contents and legs for stability. I'm using it for home brew samples. The attached .stl is for 14mm standard tubes. No supports, no rafts, infill 15%, PETG or PLA.
