### Summary

The main small pistol used by Rick in the Rick and Morty TV show

[Costumes & Accessories](#) > [Props](#)

Tags: [rickandmorty](#) [prop](#)

### Description

This is one of the main recurring weapons Rick use in the show (in fact I think this is the one he used the most often).

### Print instruction

Print with your preferred settings (but don't forget to add support if needed). I've included a multipart .3mf file for your convenience (fits on the Prusa Mini).

Note : this model may be a little small if you have bigger hands. Feel free to resize it if needed.

# Model files

**rickmainpistol.stl**

📄 original STL

**rickmainpistol\_sliced.3mf**

📄 Sliced into 4 parts
