Summary

Simple adjustable spool spacer for the MK4.

[3D Printers](#) > [Prusa Parts & Upgrades](#)

Tags: [spool](#) [spacer](#) [thread](#)

Simple adjustable spool spacer for the MK4. Slips over the stock spool holders. Use to keep the center of the filament spool in-line with the filament guide for various filament spool widths.

Able to be installed in multiple configurations to suit your preference or need.

Model uses M48x5 Threads.
