Summary

Case for Raspberry Pi 5 with HatDrive! Bottom from Pineberry and Pi Active Cooler.

[Hobby & Makers](#) > [Electronics](#)

Tags: [pi5](#) [hatdrive](#)

Made my own case.

Design to hang on wall.

SSD Board: HatDrive! Bottom from Pineberry

wanted to have the airflow passing the SSD - not sure if this is the best fit.

PI5 Button is usable.

No Supports needed.
