Tags: [apple](#) [macbook](#) [macbookstand](#) [macbookpro](#)

The MacBook Pro Stand, featuring protective foam padding on the sides to prevent scratches and felt feet for smooth gliding, offers a sleek and secure way to vertically position your MacBook Pro while ensuring easy desk mobility.

Designed for the MacBook Pro 14"

BOM:

- 4x 15mm round felt gliders
- Foam padding
- 4x M3x8mm SHCS screws
- 4x M3 Heat Inserts
