Summary

Hello people, here is the Wall for System X plate 2 x 2 with a round corner for Playmobil Villa or other dollhouses.

Hello people, here is the Wall (2 files) for the 2 x 2 System X plate with a round corner, for Playmobil or other dollhouses that are based on Playmobil. This can then be used to build a huge area, for example for the large villa (Family Hauser on Youtube).

The yellow and red pins (Playmobil) sometimes go in tightly.

I'm still a beginner in 3D modeling and 3D printing.
