### Summary

A bed heater cable clip. Shared from Thingiverse as I've found this clip useful for organizing cables on my Ender3 Pro.

Summary from [Thingiverse](#):

This remix of [Ender 3 Cable Clip](#) by saitrix and [Ender 3 Rail insert](#) by tonysix00 helps to keep the bed heater cable out of harm's way on my Ender 3.

It is my very first design, so any suggestions and criticism is highly appreciated!
