Summary

Fusion 360 model for an organiser. Parameters are: box size (HxWxL) and number of boxes horizontal and vertical.

[Hobby & Makers](#) > [Organizers](#)

Fusion 360 model for an organiser.

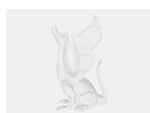

Parameters are: box size (HxWxL) and number of boxes horizontal and vertical.

Included are 3MF files for boxes 45,60 and 90 wide, respectively 4,3 and 2 wide and 4,4 and 2 tall.

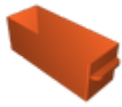

Prints at .30 draft. Add forced support for the drawer handle.

Mind you that the 60 wide is exactly 60 mm but the 45 is a little narrower and the 90 is a little wider. This is on purpose so the total width is always the same (187.50 mm).
