Summary

I liked our salt and pepper shaker but they kept making a mess on the counter, so I made some simple caps for them.

0.67 hrs

1 pcs

0.20 mm

0.40 mm

PLA

14 g

Prusa MK4

[Household](#) > [Kitchen](#)

Tags: [saltshaker](#) [saltandpepper](#) [peppergrinder](#) [peppermill](#)

These salt and pepper shaker caps fit snug and don't fall off. They're simple prints, not supports or brim required.
