Hi

I have drawn a 3D box for Biotopia which I am very fond of, just as I am for the game.

The box is designed after the cards have been sleeved.

I did not draw the butterfly myself which today is on top of the box - it is borrowed 😊 from here <https://www.thingiverse.com/thing:552835>

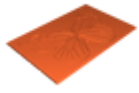

NEW TOP!

With designer signature - thanks Michael Løhde Andersen :)
