### Summary

This box has holes for tacks or other types of hangers. Two holes that are about 1cm x 1cm.

[Hobby & Makers](#) > [Organizers](#)

---

A box for markers with rounded edges and mounting holes. The box itself is 3 inches tall, 2 inches deep, and 6 inches long. The holes are about 1cm x 1cm. I printed in PLA but other filaments would work also. Tree supports work well for the mounting holes and are easy to remove.
