## Summary

Mount your Petzl Headlamp on a GoPro mount

[Gadgets](#) > [Other Gadgets](#)

Tags: [gopro](#) [lamp](#) [mount](#) [headlamp](#) [petzl](#)

This Mount enables you to mount your Petzl Duo S headlamp on a GoPro mount.

Print settings:

0.2mm layer height

20% Infill

No support required!

The model shown in the picture was printed in Bambu PETG-CF to ensure a better stability due to the slim design of the mount.

If you use the mount outdoors it would be recommended to print it in ASA or PETG.
