updated 25. 2. 2024 | published 25. 2. 2024

### Summary

Simply just rounded all the major angles, while keeping the basic style of the original of Rick Tucker's design intact

[3D Printers](#) > [Creality Parts & Upgrades](#)

Tags: [printhead](#) [coverage](#) [printerupgrades](#) [crealityk1](#)  
[crealityk1max](#)

Made on the K1 MAX using carbon nylon PA-6
