Woke up this morning and thought-- you know what would be awesome? A Drakkhen, from the underrated SNES open world RPG titled Drakkhen.

He's basically a man, or maybe a dragon-man. Maybe he's just a dragon. I dunno. He's definitely a Drakkhen though. Lizard man?

So I threw one together. Enjoy!

If you like my work and want to see (and print) more of it, please consider stopping over at my online miniatures store at [Punkin' Figs](#). All of my 3D printable releases are printed before release to insure that they print well even on a simple, starter FDM printer.
