Summary

A sign to stick to the fridge so that everyone in the household knows if the dogs have been fed.

A Sign to put up on the fridge to tell others if your dogs have been fed. Uses 2 8mmx3mm round magnets, and 6 60mmx10mmx3mm magnets (Link to magnets I used -> https://www.amazon.com/gp/product/B078KTLWQ9/ref=ppx_yo_dt_b_asin_title_o00_s00?ie=UTF8&psc=1)

Should be a friction fit, but would really recommend to glue the magnets in. Start by putting the 60x10x3 in the front of the sign, and then add the ones in the back. That will make it easier to put in the magnets. Make sure the 8x3 magnets can magnetize to the 60x10x3 magnets before gluing in so that the 8x3 can glide nicely on the 60x10x3.
