The latest mods from Ellie Valkyrie's garage! A set of single rotor engines that you can use to customize your own vehicles for the Martian Racing Federation! (Gaslands modification by the creator of Gaslands that is available in BLASTER #1.)

Requires supports.

If you like my work and want to see (and print) more of it, please consider stopping over at my online miniatures store at [Punkin' Figs](#), All of my 3D printable releases are printed before release to insure that they print well even on a simple, starter FDM printer.
