Another free infected human corrupted by a horrific alien pathogen intent on turning everyone into blobby meat monsters. A pack of seven of these scary dudes is up on [Punkin' Figs](#) for only \$5. All of the guys on Punkin' Figs print support-free.

This model is 28mm scale and requires supports when printing.

If you like my work and want to see (and print) more of it, please consider stopping over at my online miniatures store at [Punkin' Figs](#). All of my 3D printable releases are printed before release to insure that they print well even on a simple, starter FDM printer.
