I needed some more charismatic flying mounts for my wizards for Mystic Skies (see Blaster Magazine, Issue #2) so I put this flying spellbook together a base or mount so I can use any wizards I want! Just put your wizard of choice in the socket on the mount and go!

All miniatures are from [Punkin' Figs](#).

Requires supports and glue.

If you like my work and want to see (and print) more of it, please consider stopping over at my online miniatures store at [Punkin' Figs](#), All of my 3D

printable releases are printed before release to insure that they print well even on a simple, starter FDM printer.
