Summary

this can be used by dunking it under water and holding on top of someone's head while it pours water on them.

[Toys & Games](#) > [Other Toys & Games](#)

I believe this project should receive first prize because I have spent a lot of time designing this innovative bathtub toy. The combination of aesthetics, functionality, and creativity makes it stand out. The attention to detail and the effort I've put into perfecting every aspect demonstrates my commitment to excellence.
