Another D&D character from High School, Johnny was a unique character who's player rolled only one die for each stat, and who I gave 10x the starting gold to as a compromise. In response, the player bought hordes and hordes of chickens which Johnny would take with him everywhere, even into dungeons. On several occasions, Johnny tipped the balance in our favor in combat and awkward social situations.

Requires supports.

If you like my work and want to see (and print) more of it, please consider stopping over at my online miniatures store at [Punkin' Figs](#), All of my 3D printable releases are printed before release to insure that they print well even on a simple, starter FDM printer.
