One of my prototypes for my ice age / paleolithic / stone age people. I have a whole tribe I'll be listing on my site (Punkin' Figs) over the coming weeks and months.

This model is 28mm scale and requires supports. Raft recommended.

If you like my work and want to see (and print) more of it, please consider supporting me on Patreon (www.patreon.com/eswynn). I also have a number of miniatures available at my store at (www.punkinfigs.com), All of my 3D printable releases are printed before release to insure that they print well even on a low-end printer like my Ender 3.
