This guy was my prototype dwarf. I think he turned out pretty well, but the models I'll be releasing soon are even cooler. Bigger beards too! Enjoy!

This model is 28mm scale and requires supports. Raft recommended.

I also have a number of miniatures available at my store at ([www.punkinfigs.com](http://www.punkinfigs.com)), All of my 3D printable releases are printed before release to insure that they print well even on a low-end printer like my Ender 3.
