My goal with this miniature was to create a more realistic female knight figure. She's fully armored, with no chainmail bikini or boobplate silliness going on,

If you like my work and want to see (and print) more of it, please consider supporting me on Patreon (www.patreon.com/eswynn). I also have a number of miniatures available at my store at www.punkinfigs.com, All of my 3D printable releases are printed before release to insure that they print well even on a low-end printer like my Ender 3.
