Integra Hellsing, the vampire Alucard and the regenerator Paladin Anderson of Vatican Section 13 in meeple form!

These miniatures are sized for Meepleverse and for the latest version of Pocket Tactics. They're sized at 4mm thickness (old version of Meepleverse) so when you print, if you're using the new standard, you'll want to increase the mm height by one on the Z-axis in your slicing program to make everything the same.
