updated 25. 2. 2024 | published 25. 2. 2024

## Summary

Alternative styled pieces for the Dejarik game! Don't forget to scale to your board size!

If you're a Star Wars nerd or an obscure games collector, you probably know how obscenely expensive it can be to get a playable set of Dejarik. This Original Trilogy set can help to make that a thing of the past! One of these days I'll get around to some low poly recreations of the original monsters, but I was flipping through the models here today and thought these could come together in a good way!
