

Gamecube all in one stand

[VIEW IN BROWSER](#)

updated 2. 5. 2022 | published 14. 10. 2021

Summary

A gamecube stand that holds your games and controllers.

[Gadgets](#) > [Video Games](#)

Tags: [gamecube](#) [nintendogamecube](#) [wavebird](#)

Just place your GameCube on top of the four small pillars and it will fall into place.

Print with supports touching build plate

Printed on CR-6 SE using prusament PETG.
Wavebird holder hasn't been tested yet.

This upgrade can be attached and removed easily and won't permanently affect your console.
