Maximize your space and maintain cleanliness with our **Compact Trash Bag Holder**. Designed for efficiency and convenience, this holder is perfect for those who value a tidy environment. Its easy-to-print model allows for a hassle-free setup—simply glue it under your sink or inside your cupboard, either vertically or horizontally, to suit your space and needs.

This trash bag holder boasts a minimalist design that doesn't compromise on functionality. The cylindrical shape and ridged surface provide both aesthetic appeal and practical grip. It's an ideal solution for organizing your garbage bags, keeping them tidy, and accessible without taking up valuable space.

Choose from three different design files to match your preference and ensure the perfect fit for your space.
