This is a remix of phyXoo's Pokemon Gengar, it is a less see through voronoi version of the file. It is a great 3D print for a desk figurine or something to put on a shelf as part of a room's decoration.

Supports: Make sure supports are added on the hands, three spikes on the back (see photos for reference) and on the underbelly section for a successful print.

Brim: Not needed

Dimensions of the figurine in photos: 66mm x 59mm x 69mm

Filament Used: eSun PLA+ Purple

This remix is based on
