This is a remix of phyXoo's Pokemon Pikachu, it is a see through voronoi version of the file. It is a great 3D print for a desk figurine or something to put on a shelf as part of a room's decoration.

Supports: Make sure supports are added on the both hands, under the feet, the left ear and the bottom side of the tail to be on the safe side of a successful print.

Brim: Not needed

Filament used in the photo: eSun PLA+ Yellow
