Summary

Mandate tiles for Rising Sun boardgame

Tags: [boardgames](#) [boardgame](#) [cmon](#) [risingsun](#)

I really like the Rising Sun boardgame but it has been played A LOT so my cardboard components are a bit worn especially the mandate tokens that are handled the most.

I made this set to replace my original ones. I used a 0,4 nozzle and they came out good enough but I'd recommend a 0,2 nozzle for crispier details.

I also made Alliance Tokens for the same game that you can check [here](#).
