Summary

VASE MODE! Your soap dispenser is ugly? Print a cover that is less hideous (in your eyes at least)

Print this in vase mode!

Your soap dispenser is ugly? Print a cover that is less hideous (in your eyes at least, don't ask your wife!)

Fits 55 x 100 x 120mm (w,l,h) and 28mm diameter opening.

Saw the lates clip from Devin (Make Anything) and realized I need a soap dispenser cover.
