Summary

Small remix of a TPU USB-C dust plug to fit on the bottom of the Baofeng BL-5L USB-C battery.

[Hobby & Makers](#) > [Electronics](#)

Tags: [battery](#) [usb](#) [radio](#) [usbc](#) [baofeng](#)

Printed at 0.15mm layer height on Prusa MK4 using Overture 95a TPU. Small dab of superglue on the long side to hold it in. Depending on your printer tolerances you can optionally just leave it in without glue and it would stay anyway.

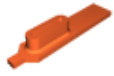

This remix is based on

USB-C Dust Cover TPU
