I like having my card decks and discard piles kept vertical to save on table space and keep things organized. These 3 trays were made for use in Agemonia, but can fit any standard, tarot, or mini european sized cards, with sleeves. Shown are Mayday Premium sleeves (tarot) and GameGenic Prime Matte (standard and mini euro).

The tarot stand has a thin slot in the front that I use to keep the cover card in place and prevent spoilers in the scenario deck.
