## Summary

Three pieces toilet seat lid hinge

[Household](#) > [Bathroom](#)

Tags: [toilet](#) [hinge](#) [toiletseat](#)

I created this piece to replace one that broke at home on a holiday, leaving me unable to purchase a replacement part locally. It has proven to work exceptionally well; in fact, it's been over 6 months now and hasn't encountered any issues.

You will need 2 allen M3x25 screws.
