### Summary

Desktop holder module that attaches to a table

[Household](#) > [Office](#)

Tags: [table](#) [desktop](#) [deskholder](#)

Remixed parts of LAYALITY's excellent collection of desktop accessories. There are two remixed parts.

1. There is a shorter version of the screw. It's about half the length of the original.
2. There is a version of the clamp that fits thicker tables. It fits a table that is about 7 cm thick (for example, an IKEA Lack).

### This remix is based on
