Summary

Jaw protectors/covers for Knipex 86 XX 150 pliers with retaining clips for printing with rigid materials.

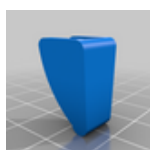

[Hobby & Makers](#) > [Tools](#)

Tags: [pliers](#) [knipex](#) [covers](#) [protectors](#)

Original design had very nice fit, but when printed with rigid material (ABS in my case), jaw protectors/covers were detaching very easily. I added retaining clips to both pieces, so they stay in place.

Fits 150 mm Knipex pliers (86 XX 150). Mount protectors by sliding them on with a bit of rotation, they will click in place.
