## Summary

BlueSCSI V2 50pin Mac Portable Mounting Bracket / Case

[Hobby & Makers](#) > [Mechanical Parts](#)

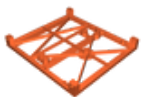

Tags: [macintosh](#) [bluescsi](#) [scsi](#) [bluescsiv2](#)

This is the printed mounting bracket for using a BlueSCSI V2 in the Macintosh Portable.

It is compatible with BlueSCSI 50 pin Desktop models 2022.12a-2023.10a.

The picture shows an earlier version of the bracket and an older revision BlueSCSI.
