A mana counter with replaceable color cap.

In late game i have a tendency to mess up counting mana in multicolor decks so i made some of these to keep it straight, the other players won't love you for the time spent turning little wheels but i found it useful.

The caps need supports

This is a remix from <https://www.thingiverse.com/thing:398515> <- i used his rotors, removed the gearing because with my printer getting it right would have been troublesome.
