Summary

A little Christmas tree with room for some leds inside

[Seasonal designs](#) > [Winter & Christmas & New Year's](#)

Tags: [led](#) [christmasornament](#) [christmasdecoration](#)
[christmastree](#)

A little Christmas tree with a hollow bottom, sockets for up to five 3mm leds and a hole in the back, i lit it on batteries and used the hole for a switch but you can also use it for a power cord if you like better a long lasting light.

The lid that closes the bottom can be a bit loose
