My younger kid wants to do everything that the older one can do. This includes drinking out of juice boxes from time to time.

The model fits the Honest Kids juice box with a little wiggle room. Included in the design are filleted corners, strong handle and hole in the bottom to prevent stuck boxes. Note, my print is a couple of colors due to me running out of white filament mid-print.

Printing Instructions: Oriented with the bottom down and no support needed.

Exterior dimensions: 3.7 inches tall, 3.234 inches wide, 1.8 inches deep

Interior dimensions: 3.6 inches tall, 2 inches wide, 1.6 inches deep
