This is an organizer for the card game "Villagers".

FLAT BOX VERSION!

It is only a basic design to separate the cards from mixing during storage. The low box profile made it tricky to fit all the cards while remaining organized.

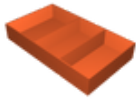

The 3 boxes contain following packs of cards:

1. Basic + Solo: + (solo variant cards)
2. Main: The cards of the main deck (not all will fit, see next box)
3. Main + Player: (Starting cards, 4p+ cards and remaining part main deck) + (player cards)

Print information:

0.4mm Nozzle at 0.3mm Layerheight.
