### Summary

Reference model of the Revopoint Inspire

[Gadgets](#) > [Portable Devices](#)

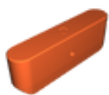

Tags: [3d](#) [3dscanner](#) [inspire](#) [revopoint](#)

I found myself needing a fairly accurate model of the Revopoint Inspire, but couldn't find one that quite suited my needs, so I broke out the calipers and whipped this up.

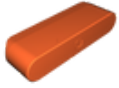

STEP file shared for any editing or adjustments you want to make via CAD.
